

Changing & showering Policy

All ECB affiliated cricket clubs must have a Changing Policy. This will depend upon facilities available, access to those facilities and the number of children involved.

Condover Cricket Club will wherever possible adopt the following principles, which apply to both to adults, and juniors sharing changing facilities.

- Adults must not change, or shower, at the same time using the same facility as children.
- Adults should try to change at separate times to children during matches, for example when children are padding up.
- If adults and children need to share a changing facility, the club must have consent from parents that their child(ren) can share a changing room with adults in the club.
- If children play for adult teams, they, and their parents, must be informed of the club's policy on changing arrangements.
- Mixed gender teams must have access to separate male and female changing rooms.
- Mobile phones must not be used in changing rooms.
- If children are uncomfortable changing or showering at the club, no pressure should be placed on them to do so. Instead suggest they change and shower at home.
